

# Our Meetings

## Sunday Mornings

Sunday mornings at Christ Church are about everyone. For children there is a children's slot and dedicated groups providing games, friendship and great Bible teaching for 0-2s, 2-4s, infant school and junior school age children. Engaging, relevant truth from the Bible is also the centre of our meeting for adults along with an exciting mix of classic hymns and contemporary songs, culture slots, prayer and interviews. We also regularly share communion together.

After the meeting there is plenty of opportunity to ask questions of the speaker, meet new friends and enjoy tea, coffee, cold drinks and an excellent selection of cakes or biscuits.

## Sunday Evenings

The informal Sunday evenings at Christ Church are about engaging with God. We have contemporary, interactive teaching where we explore the most important issues in life, alongside the best in modern Christian music. The meeting format is creative and a little bit different from what you'll find elsewhere. If you are a student this is the best opportunity for you to get to know other students and our student team.

## Love Sundays

Talking to God to thank him for all he has done and ask him to work in our world is a vital part of our church life. One Sunday evening a month we all meet at 7pm for a fantastic all age opportunity to sing, pray and enjoy the privilege of being a family of God's people in Liverpool.
